## **Vice Chancellor's Message**

Dear Students

It gives me pleasure addressing the students aspiring to start their higher educational career with Shah Abdul Latif University Khairpur. It is an honour heading this great institution which has critically contributed in the intellectual, infrastructural and individual development in upper Sindh. The University has twenty nine departments and six faculties at the main Campus. At Ghotki Campus and Shahdadkot Campus the University has introduced the programs keeping in view the preference of students aspiring to join us and need of the area.

The prospectus shall give you a very clear picture about the degree programs and the campus of your choice. It will help you take a better decision regarding the degree program. I shall advise you read the Prospectus properly as when you become a "Latifian" you are well informed about semester system, discipline, course requirements and the other important things. We have a highly qualified faculty and a great infrastructure for running our undergraduate, graduate and postgraduate programs. The efficient point buses system facilitates the commuting students over long distances. The females have a separate point bus. There is facility of hostel accommodation which has seen expansion in recent years.

Our Campuses at Ghotki and Shahdadkot have made possible higher education at the locality level for the unprivileged students or for the females who couldn't pursue their dreams for hurdles of distance. You shall experience more than mere classes. The University is a hub of International conferences, research seminars, sports, cultural activities and interaction point of academia, society and professionals in a bid to train our students as well as contribute to the society outside. It is matter of pride that during my tenure the University has significantly made progress on the ranking list of Higher Education Commission. I commend everyone studying or working in the University for making me proud this achievement.

I wish you a very life changing educational experience. Allah Almighty bless us all.

## **Director's Message**

***In the name of Allah, the most Beneficent; the most Merciful.***

I feel honoured to say that SALU Ghotki Campus is making a rapid progress in the areas of business, information technology and humanities. SALU Ghotki Campus is right on its track to a steady upward progress. It asserts to be the first ever HEC recognized university campus in Ghotki to offer professional education in several fields.

SALU Ghotki Campus is very much conscious of our cultural and religious norms. It aims at educating and polishing its students in the best possible way keeping in view not only these cultural and religious principles but also the highly demanding educational requirements of the modern age.

We, here at SALU Ghotki Campus, focus on promoting in our students the sense to live in society believing in principles of peace, coexistence and tolerance. Producing useful and constructive citizens for society along with giving prime importance to the individual career development of our students.

Dear students, here at SALU Ghotki Campus, you will find a culture of inquiry, a culture of asking questions, a culture that opens minds of its students and builds confidence in them, a culture that is much different from the schools and colleges you previously attended, and a culture that will make you responsible and practical. We believe in professionalism. You will see the difference. SALU Ghotki Campus will enable you not only to ask questions but to explore their possible answers as well. SALU Ghotki Campus' talented and experienced faculty will be your guides and allies on your journey of inquiry.

My dear students, I would urge you to focus on education, not just on knowledge. I would urge you to work hard day in and day out to enable your country once again to stand proud in the company of nations. Hard work and broader and deeper education is the need of the hour. We look forward to you to accept this challenge.

I want you to know that the entire University Campus community is here to support and encourage you during your study. We look forward to the fresh ideas and energy you bring to our campus. Learning, innovating and leading have always been the guiding principles for SALU Ghotki Campus.
